

Dear Grocery Manager:

As a regular customer, I'd like to ask you to stock Crunchmaster Crackers (made by TH Foods). They're the #1 selling brand of gluten free crackers in North America and a delicious, all natural alternative to traditional processed wheat crackers. You can contact TH Foods directly to find out how to add Crunchmaster Crackers to your store. Please call them toll free at **1-800-896-2396** or e-mail **CrunchmasterGuru@thfoods.com**.

Thank you very much for your help!
